## Career Objective

I am a talented Web and Graphic designer who learns quickly, I enjoys working in a fast paced environment and strive to be the best I can be.

Anything that I put my mind too I will give 100% and I am enthusiastic at what ever I do.

I am easy to get on with and have a good personality

## Education

Royal Belfast Academical Instuition

Subjects	G.C.S.E	AS Level	A Level
English	A		
Technology	A	D	E
English Literature	B		
Maths	B

History	C		
Geography	C	E	E
ICT		B	C

University of Ulster (Jordanstown Campus)

BSc Hons Interactive Multimedia Design

## Qualifications

I have received up to Grade 4 in Kayaking  
Completed Level 1 First Aid Course

I am very into outdoor Sports including Rock Climbing where I have competed in Competitions at the Highest Level and have also climbed up to E2 outdoors.

In the summer of 2006 I travelled to Tanzania to Help homeless people and climb Mt Kilimanjaro and reached Gillman's Point the Second Highest Point at 5685m.

I have played hockey for my local club Civil Service Men's Hockey Club and am a key player on the 3rd XI. I also played for my School 2nd XI who have been in the final each Year. I was also Captain of the 3rd XI who got through to the Final of the 2nd XI Plate.

Throughout my years at R.B.A.I I was also a keen member of a number of clubs and societies including the Basketball club and Mountaineering Club

## IT Skills

### Operating System

Windows XP/Vista and Apple Mac OSX

### Development Languages

HTML, CSS, PHP, MYSQL, Javascript, Actionscript, Visual Basic, XHTML

### Applications

Macromedia Dreamweaver,Flash,Director,InDesign,Photoshop,Illustrator  
Coda , Transmit, Word,Excel,Powerpoint,Premiere , Final Cut Pro

## Other Skills

As well as being into sport I am very much into Technology and Computers and am Head of the ICT Department at RBAI and have to support pupils who need help and also help install programs and new computers throughout the school. This is challenging as there is only 2 ICT Staff and over a 1000 pupils and teachers. We have to manage our time well in order to keep up to date with tasks and challenges.

My Main hobby at the moment is working on website, you can see examples of my work here on my personal portfolio site : [www.mkelso.com](http://www.mkelso.com)

I have also passed my driving test and the European Computer Driving Licence, which are the basics of Word Processing
